E-mail addresses should not include any symbol, special characters, or spaces. A maximum of 255 standard characters are permitted. Use an underscore (_) or a period (.) if you want to leave a space. Additional email addresses are available at an additional cost. All passwords will be set to "welcome" by default.

Declaration

I hereby apply for Internet Service, particulars of which are included above and agree to be bound by Cable & Wireless' Standard Internet Access Terms and Conditions that accompany this application, and which Terms and Conditions shall be incorporated into and shall read as one with this Order form. I understand that Cable & Wireless will not be providing firewall protection and I accept responsibility for providing my own security.

Subject to a minimum contract of 12 months.
