TERMS & CONDITIONS:

- Public IP Addresses are assigned on a need basis only. Public IP address will not be assigned to any user unless the user can account for its usage. Public IP addresses are administered by ARIN. Should Cable & Wireless be reviewed by ARIN, and the utilization of user IP space not meet their requirements, Cable & Wireless reserves the right to review and remove extra public IP addresses as needed to comply with ARIN guidelines.
- The IP addresses that are allocated to a user for use in connection only with a Cable & Wireless service and the user does not gain any ownership rights in those IP addresses. The user must not sell them or agree to transfer them to anyone else or try to do so. If the service contract is terminated for any reason the IP addresses will revert to Cable & Wireless.
- The use of Public IP addresses allocated by Cable & Wireless must comply to the Cable & Wireless Internet Service Usage Terms & Conditions. Cable & Wireless reserves the right to revoke any Public IP in the event it is used in contradiction to the Cable & Wireless Internet Service Usage Terms & Conditions.
