Cable & Wireless Seychelles is delighted to inform the public that as from the 26th September, shares have officially been listed!

The public is encouraged to open up their trading account early and ensure funds are transferred in a timely manner before the closure of the offer for sale period on the 4<sup>th</sup> of October to avoid any disappointment.

The public is also informed that after the 30th of September our preferred broker, the PKF team, will only be handling queries by email on [support@pkf.sc](mailto:support@pkf.sc) or by phone on 434 6770. Therefore, it is encouraged that trading account and funding through our preferred broker is done before that.

However, the public will still be able to open their trading account and place their bid directly through MERJ Exchange [www.merj.exchange](http://www.merj.exchange) before the closure of the offer for sale period.
